REPORT OF SCHOOLS.

The spring term of school in No. 1 was taught by John L. Ladd of Deerfield, N. H., and proved very satisfactory in every way.

The fall term was also taught by Mr. Ladd, assisted by his sister, Miss Edith A. Ladd, and proved as successful in every way as the first term.

Both terms in No. 2 were taught by Miss Blanche Wiggin, and were very successful. Miss Wiggin takes an interest in her school, and does all she can for the benefit and advancement of her scholars.

The school in No. 3 was taught by Miss Katherine E. Paige. Miss Paige requires her pupils to do their work in a very thorough manner and works hard in her school. She gave good satisfaction to all.

The summer term in No 4 was taught by Miss Edith Traine. The fall term was taught by Miss Flora Tennant of Omaha, Nebraska, a teacher who knows her business in regard to her work, and does her duty in every particular. She gave perfect satisfaction to all concerned.

The Spring term in No. 5 was taught by A. M. Hosmer. She did good work, and gave very good satisfaction. The fall term was kept by Miss Helen Stilphen.

There was but one term in No. 6 and was kept by Miss Ruth Stilphen.
